Contact Information

Name _____
Business Name *(if applicable)* _____
Street Address _____
City/State/Zip Code _____
Phone Number _____
Email _____

This information is used for return shipping. Location should be secure or have someone available to receive unit.

Unit Information

Make _____ Model _____ Year _____ Mileage _____

Functions Not Working..... Speedometer Odometer Tachometer Backlight Pointers Gauges

Nature of Problem..... Dead Cuts Off Dim Flickers Erratic Wiggles Reads Incorrect
 Doesn't Light

When Does Problem Occur..... Always Often Rarely When Hot When Cold On Bumps

Vehicle Has Cruise Control..... Yes No (if yes, does the cruise control cut out when your speedometer or odometer has problems? This could be a bad Vehicle Speed Sensor, or VSS, and not the cluster)

Additional Info (the more info we have, the quicker we can repair your cluster)
